OPTIMIZED FEATURES

Our **vitamin D supplement** offers a harmonized combination of active ingredients, high bioavailability as well as excellent **user-friendliness** - these promises signify our quality. Together with international specialists, we have developed the spray using **safe and high-quality resources**.

SYNERGY through a qualitatively balanced combination of the key vitamins **D3** and **K2** in liquid form.³

CLEAN FORMULA: Neutral taste, free of additives or colorants, vegetarian, gluten-free, allergen-free, lactosefree, non-GMO.

USER-FRIENDLY: Innovative spray with easy dosing and fast bioavailability through sublingual absorption.⁴

HIGH STABILITY at room temperatures.

Product stability tested and proved by third partner.

PRODUCT LONGEVITY through black glass packaging.

A shelf life of 24 months is ensured.
